John -

I have been busy here. Though I imagine you are the same. Matt Magorrian and/or Kendra Tyler (RA office) and I will work with Heidi on the details of the June 1 Pebble site visit.

thanks -

Patty

Heidi - There are 5 of us from EPA that will be visiting Pebble. We plan to overnight in Anchorage on May 31 and in Iliamna on June 1. First question, what time and where should we meet John and others for the Pebble tour. Second question, about how long will it take and estimated cost for helicopter reimbursement.

Following are the folks that will be participating from EPA:

Bob Sussman, Senior Policy Advisor to the Administrator, Washington, D.C.  
Nancy Stoner, Assistant Administrator, Office of Water, Washington, D.C.  
Dennis McLerran, Regional Administrator, Region 10, Seattle, WA  
Rick Parkin, Bristol Bay Assessment Lead and ETPA Associate Director, Region 10, Seattle, WA  
Patty McGrath, Regional Mining Coordinator, Region 10, Seattle, WA

Give me a call if you want to discuss.

- Patty

Subject: June Trip to Pebble

Patty,

I left you a message this morning, but I know you are busy. The contact at Pebble for setting up the trip is Heidi Franklin and I have copied her on this email, so that the two of you can work out the details.

I believe that there will be two or three Pebble folks involved in the trip. I will be there and I will probably have both Ken Taylor and John Iani with me. We look forward to the visit.

John
